<b>TOTAL MONTHLY PLAN COST</b>	<b>EE: \$674.00 EE+CH: \$1,067.00</b>	<b>EE: \$620.00 EE+CH: \$981.00</b>

**TO CALCULATE YOUR OUT-OF-POCKET COST:**

- From column A, find the plan you currently have and enter its total monthly plan cost here:
- Multiply line one by 3 months:
- This is the cost of your insurance for the 3 months of 7/1/24 - 9/30/24

$$\begin{array}{r} \text{x} \quad \underline{\hspace{2cm}} \quad 3 \\ \hline = \quad \boxed{\hspace{2cm}} \end{array}$$

- From column B, choose the plan you would like to have for the 9 months between 10/1/24 and 6/30/25 and enter its total monthly plan cost here:
- Multiply line four by 9 months:
- This is the cost of your insurance for the 9 months of 10/1/24 - 6/30/25.

$$\begin{array}{r} \text{x} \quad \underline{\hspace{2cm}} \quad 9 \\ \hline = \quad \boxed{\hspace{2cm}} \end{array}$$

- Add lines three and six together. This is the annual cost of your insurance between 7/1/24 and 6/30/25.
- Subtract the CAP from line 10
- This is your total over cap (out-of-pocket expense).

$$\begin{array}{r} \underline{\hspace{2cm}} \\ - \quad \underline{\hspace{2cm}} \quad \$12,491.60 \\ \hline = \quad \boxed{\hspace{2cm}} \end{array}$$

- Divide line twelve by 10 months.
- This is your monthly over cap (out-of-pocket expense) for 12 months of the 2024-25 fiscal year. If you have an over-cap, make sure you are signed up for SISC's no cost Premium Only Plan to save tax money on your premium.

$$\begin{array}{r} + \quad \underline{\hspace{2cm}} \quad 10 \\ \hline = \quad \boxed{\hspace{2cm}} \end{array}$$

\* **Part-time employees should substitute their prorated monthly CAP for the full-time monthly CAP indicated on line eleven.**

\*\* *If the cost of insurance is less than the cap, the district pays the cost of the insurance instead of the cap.*

**FOR CALCULATION PURPOSES ONLY, ACTUAL COST MAY DIFFER.**
