Enrollment Information

Who May Enroll

Please contact your school site office manager to find out more details of your eligibility. If you are eligible for benefits, then you and your eligible dependents may participate in Somis' benefits program.

**Benefits Plan Year:
October 1– September 30**

Your eligible dependents include:

- Legally married spouse
- Registered domestic partner
- Children under the age of 26, regardless of student or marital status

When You Can Enroll

As an eligible employee, you may enroll at the following times:

- As a new hire, you may participate in the school's benefits program on the first day of the month following date of hire
- Each year, during open enrollment
- Within 30 days of a qualifying event as defined by the IRS (see Changes To Enrollment below)

Changes To Enrollment

Our benefit plans are effective October 1st through September 30th. There is an annual open enrollment period each year, during which you can make new benefit elections for the following October 1st effective date. Once you make your benefit elections, you cannot change them throughout the year unless you experience a qualifying event as defined by the IRS. Examples include:

- Marriage, divorce, legal separation or annulment
- Birth or adoption of a child
- A qualified medical child support order
- Death of a spouse or child
- A change in your dependent's eligibility status
- Loss of coverage from another health plan
- Change in your residence or workplace (if your benefit options change)
- Loss of coverage through Medicaid or Children's Health Insurance Program (CHIP)
- Becoming eligible for a federal or state premium assistance program under Medicare, Medicaid, or CHIP

Coverage for a new dependent is not automatic. If you experience a qualifying event, you have 30 days to update your coverage. Please contact your office manager immediately following a qualifying event to complete the appropriate election forms as needed. If you do not update your coverage within 30 days from the qualifying event, you must wait until the next annual open enrollment period to update your coverage.

Paying For Your Coverage

You and the District share in the cost of the Medical/Dental/Vision benefits you elect. Any voluntary disability or cancer benefits you elect will be paid by you at discounted group rates. You have the option of having your contributions deducted before taxes are withheld for your Medical, Dental, and Vision benefits.

Paying for benefits before-tax means that your share of the costs are deducted before taxes are determined, resulting in more take-home pay for you. As a result, the IRS requires that your elections remain in effect for the entire year. You cannot drop or change coverage unless you experience a qualifying event.

Medical Benefits: Plans

Anthem Blue Cross PPO Plans

The Anthem Blue Cross Preferred Provider Organization (PPO) plans allow you to direct your own care. If you receive care from a physician within the network, a greater percentage of the entire cost will be paid by the insurance plan. However, you are not limited to the physicians within the network and you may self-refer to specialists. If you obtain services using a non-network provider, please note that you will be responsible for the difference between the covered amount and the actual charges, and you may be responsible for filing claims. The percentage copay for non-emergency services from non-network providers is based on the scheduled amount.

Anthem Blue Cross Prescription Drug Coverage

Navitus Health Solutions Pharmacy Benefits Manager (PBM)

Navitus Health Solutions is the Pharmacy Benefits Manager for our Medical plans. You are urged to use generic drugs when they are available. If you or your physician requests a brand name drug when a generic equivalent is available, you will pay the generic copay plus the difference in cost between the brand name drug and the generic drug. In addition, the difference in cost between the brand name drug and generic drug will not count toward your annual out-of-pocket maximum.

Costco Retail Pharmacy and Mail Order Program

Costco makes it easy for you to receive a 90 day supply of your long-term or maintenance medications. In addition, when you use the Costco pharmacy, most generic medications will be free of charge! Visit any Costco retail location or use the mail order feature and benefit by having your prescriptions delivered to your door, saving you a trip to the pharmacy. Due to Medicare Part D restrictions, this program does not apply to the CompanionCare pharmacy benefit.

Here's how it works:

- Take your prescription to any Costco pharmacy. You do not need to be a Costco member.
- Present the pharmacist with your insurance card.
- **Get your generic medications (excluding some narcotic plan medications and some cough medications) for free.** You will pay \$35 for a 30 day supply or \$90 for a 90 day supply of brand name drugs.

Kaiser Permanente HMO Plan

With the Kaiser Health Maintenance Organization (HMO) plan, services must be obtained at a Kaiser facility, except in the case of emergency. Kaiser integrates all elements of healthcare such as physicians, medical centers, pharmacy, and administration in one convenient facility. In addition, Kaiser offers online tools so you can email your doctor's office, make appointments, refill prescriptions, and more.

Medical Benefits: Telemedicine

Telemedicine Benefits

Phone and/or video visits are an excellent option for convenient, accessible care when you don't need a doctor to see you in person. They are also a good choice when away from home or if you need short term prescription drug refills. The District provides telemedicine coverage with all medical plans.

- There is no copay for phone or video visits

Anthem Members: MDLIVE

- MDLIVE gives you access to doctors 24/7 via phone or secure video for non-emergency medical conditions.
- **\$0 copay per visit.** MDLIVE doctors have 15 years experience practicing medicine on average. HSA members will need to meet their deductible first before having a \$0 copay.
- Pediatricians are on call.
- You can access behavioral health therapy and psychiatrist visits through MDLive

Anthem PPO plan members have an annual opportunity to receive a free FIT test. This free, easy-to-use home test screens for lower gastrointestinal (GI) tract bleeding that may be caused by colorectal cancer or other lower GI disorders. Why sign up for this test?

- Colon cancer may start with no symptoms but is highly preventable.
- When caught early, the colorectal cancer 5-year survival rate is 90%. Only 4 of 10 instances are caught early.
- When caught at later states, the 5-year survival rate drops and individuals may have to receive chemotherapy, radiation therapy, and/or surgery.
- Request your free test at <https://my.questforhealth.com>. Register for an account using the registration key SISC2025. You can also call **(855) 623-9355**.

Medical Benefits: Tips

Tips on Getting the Most from Your Health Benefits

1 Ask Questions

If you are having a procedure or planning an upcoming procedure, make sure you know how the procedure will be covered and what your out-of-pocket cost will be, if any.

2 Utilize your Free Preventive Care Benefits to Stay Healthy.

In-network preventive care benefits are covered at no charge to you. Take advantage of these no cost benefits now to hopefully avoid major illnesses and the costs they bring in the future.

3 Get the Right Health Care and Save Money

Choosing the right care for your medical situation will help save you money out-of-pocket:

- **Doctor's Office Visit** or **Telemedicine** visit: These are the best choices for non-urgent medical issues.
- **Urgent Care:** This is the best choice for non-life threatening medical issues that require immediate in-person care when you can't get an appointment for a Doctor's Office Visit.
- **Emergency Room:** You should use the Emergency Room for life threatening emergencies, or for other issues that require immediate in-person medical care outside Urgent Care hours.

4 Use Generic Drugs When Available

The best way to save on prescriptions is to use generic medications as opposed to brand name drugs. When you use generic medications, you will pay the lowest copay.

Generic drugs must use the same active ingredients as the brand name version of the drug. A generic drug must also meet the same quality and safety standards.

5 Use the Mail-Order Prescription Drug Benefit for Maintenance Medications

If you take medications on a long term basis, the mail order prescription drug benefit can save you money.

Save Money on Your Health Care Expenses

When you use your Flexible Spending Account (see page 15) to pay for eligible, unreimbursed medical, dental and vision care expenses, you reduce your taxable income and can save money on taxes.

Dental Benefits

Delta Dental PPO Incentive Plan

With the Delta Dental Preferred Provider Organization (PPO) Incentive plan, you may visit a PPO Dentist, a Premier Dentist, or an out-of-network Dentist. When you utilize a PPO or Premier Dentist, your out-of-pocket expenses will be less, however, you will usually pay the lowest amount for services when you visit a Delta Dental PPO Dentist. Delta Dental PPO Network Dentists are contracted dentists that have agreed to a fee schedule as payment in full.

The Delta Dental Incentive Plan offers the largest network of providers. You may change providers at anytime. The Incentive Plan starts coverage at 70% the first year and percentages increase by 10% for each year of participation (two office visits within a 12-month period). Upon completion of 4 years of active participation, coverage is set at 100% allowable.

Finding a Dental Provider

Go to www.deltadentalins.com or call **866.499.3001**. Refer to the PPO or Premier networks when prompted.

Tax Savings Benefits

Flexible Spending Accounts

You can set aside money in Flexible Spending Accounts (FSA) before taxes are deducted to pay for certain health and dependent care expenses, lowering your taxable income and increasing your take home pay. Only expenses for services incurred during the plan year are eligible for reimbursement from your accounts. You choose how you want to receive reimbursement for your eligible expenses. You may use a debit card provided by SISC Flex (Navia), sign up for direct deposit to your bank account or you may have a check sent to your home.

Please remember that if you are using your debit card, you must save your receipts, just in case Navia/SISC needs a copy for verification. Also, all receipts should be itemized to reflect what product or service was purchased. Credit card receipts are not sufficient per IRS guidelines.

Your FSA elections expire each year on December 31. If you plan to participate in the FSA for the upcoming plan year, you are required to re-enroll. Open Enrollment for the FSA runs September 1 through November 1 for the upcoming plan year.

Health Care Spending Account

This plan is used to pay for expenses not covered under your health plans, such as deductibles, coinsurance, copays, expenses that exceed plan limits, over-the-counter drugs, and menstrual supplies. You may defer up to \$3,300 pre-tax per year in 2025. The limits for 2026 have not yet been released.

Dependent Care Spending Account

This plan is used to pay for eligible expenses you incur for child care, or for the care of a disabled dependent, while you work. Employees may defer up to \$5,000 pre-tax per year. You can use the Dependent Care Spending Account to be reimbursed for: Licensed nursery schools, qualified childcare centers, after school programs, summer camps (under age 13), preschool, and adult daycare facilities.

Benefits Video: Flexible Spending Accounts

This quick video explains how Flexible Spending Accounts work and how they can help you save money:
<http://video.burnhambenefits.com/fsa>

FSAs offer sizable tax advantages. The trade-off is that these accounts are subject to strict IRS regulations, including the use-it-or-lose-it rule. According to this rule, you must forfeit any money left in your account(s) after your expenses for the year have been reimbursed. The IRS does not allow the return of unused account balances at the end of the plan year, and remaining balances cannot be carried forward to a future plan year. If you are unable to estimate your health care and dependent care expenses accurately, it is better to be conservative and underestimate rather than overestimate your expenses.

In the example below, Dan estimates that he will have approximately \$1,200 in out-of-pocket health care expenses next year and is looking to increase his take-home pay.

Dan's Pay, Taxes and Health Care Expenses	Without the Health Care FSA	With the Health Care FSA
Gross Pay (Annual)	\$35,000	\$35,000
Pre-tax Health Care FSA	\$0	\$1,200
Taxable Gross Income	\$35,000	\$33,800
Payroll Taxes (at 30%)	\$10,500	\$10,140
Health Care Cost	\$1,200	\$0
Net Pay	\$23,300	\$23,660
Annual Net Pay Increase	\$0	\$360

Important Information

Annual Notices

The District plans are partially arranged by the District and governed by its plan rules and documents. ERISA and various other state and federal laws require that employers provide disclosure and annual notices to their plan participants. The District distributes annual notices to new-hires, and each year during open enrollment:

- **Medicare Part D Notice of Creditable Coverage:** Plans are required to provide each covered participant and dependent a Certificate of Creditable Coverage to qualify for enrollment in Medicare Part D prescription drug coverage when qualified without a penalty.
- **HIPAA Notice of Privacy Practices:** This notice is intended to inform employees of the privacy practices followed by the District's group health plan. It also explains the federal privacy rights afforded to you and the members of your family as plan participants covered under a group plan.
- **Women's Health and Cancer Rights Act (WHCRA):** This act contains important protections for breast cancer patients who choose breast reconstruction with a mastectomy.
- **Newborns' and Mothers' Health Protection Act:** This act affects the amount of time a mother and her newborn child are covered for a hospital stay following childbirth.
- **Special Enrollment Rights:** Plan participants are entitled to certain special enrollment rights outside of the District's open enrollment period. This notice provides information on special enrollment periods for loss of prior coverage or the addition of a new dependent.
- **Medicaid & Children's Health Insurance Program:** Some states offer premium assistance programs for those who are eligible for health coverage from their employers, but are unable to afford the premiums. This notice provides information on how to determine if your state offers a premium assistance program.

Summary of Benefits and Coverage (SBC)

Health insurance issuers and group health plans are required to provide you with an easy-to-understand summary about your health plan's benefits and coverage. This guide is designed to help you understand the medical plan options offered to you by Ventura County Schools Business Service Authority. Please refer to the SBC and carrier contracts provided by SISC for additional plan details.

Individual Health Care Mandate

Even though the Affordable Care Act (ACA)'s penalty for not having health coverage (known as the individual mandate) has been reduced to zero, if you are a taxpayer in California, you will still be required to have health coverage (unless you qualify for an exemption) or pay a penalty for the current tax year. In addition, several other states, including Massachusetts, New Jersey, and Vermont, as well as the District of Columbia, have reinstated an individual mandate requirement, and others are considering doing so.

You may consider these options below to satisfy this requirement:

- Enroll in a medical plan offered by the District or another group medical plan meeting the requirements for minimum essential coverage;
- Purchase coverage through a health insurance marketplace;
- Enroll in coverage through a government-sponsored program if eligible.

However, if you choose to purchase coverage through the marketplace, because the District's medical plans are considered affordable and meet minimum value under the Affordable Care Act, you may not be eligible for a subsidy, and you may not see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis.
