Criteria & Standards

Provide methodology and assumptions used to estimate revenues, expenditures, reserves and fund balance, and multiyear commitments (including cost-of-living adjustments). Deviations from the standards must be explained and may affect the approval of the budget.

Note: This form is the same as the school district criteria and standards review except for the average daily attendance, enrollment, ADA to enrollment, LCFF revenue, and ongoing and major maintenance account criteria, which are not applicable for JPAs. The criteria and standards review should be completed only to the extent that individual components apply to each JPA, and with concurrence from the reviewing agency.
